

CARROLLTON HIGH SCHOOL TROJAN BAND

Make Me A Whole Person Fundraiser

Why do so many talented young people give their all for the Carrollton High School Trojan Marching Band? There are not any superstar recording contracts for band students, nor are there Olympic medals. There isn't even a degree in marching and maneuvering. We participate in the marching band because we all have one thing in common: we are all trying to reach our full personal potential while leaving a legacy at Carrollton High School that will continue to bring pride to our community.

At Carrollton High School we perform in all home and away football games for the regular season and the postseason, multiple parades celebrating with our community for the Martin Luther King Jr. Parade, the Fourth of July Parade, our Homecoming Parade, and the Holiday Wishes Christmas Parade, as well as give multiple concerts throughout the year. Additionally, we travel regularly as a way to represent our community and provide educational experiences for our members to grow personally and academically.

This year we are traveling to Walt Disney World in Orlando, Florida from January 28 - February 1, 2015 and will perform a parade at one of the Disney parks. This is exciting because only Disney can we have an opportunity to perform to an extremely large and diverse audience from all over the world! The cost of the trip is \$600 per student and it is our goal for 100% of our students to attend the trip. It is my goal to become a whole person which will cover my trip and a portion of a friend's trip. We can only accomplish this goal together and it would make me happy to be able to assist a fellow band mate realize their goal of attending this educational and fun experience. It will give us a chance to grow as a team and represent Carrollton on an international stage!
