

CARROLLTON TROJAN BAND

Spring Break 2017

COST & PAYMENT DETAILS

Trip Cost Details: At this time we are estimating the trip at \$1,300 but we can not finalize the total because we cannot secure the airline tickets this far in advance. But we have tried to estimate high, to avoid any negative last minute surprises. The cost of the trip **includes:** lodging (students - quad occupancy, chaperones - double occupancy), 3 meals per day while in NY, admission to scheduled events, tours & tourist sites, and airfare & ground transportation. What the cost of the trip **does not include** is: day of travel meals, cost of additional snacks and meals, and souvenirs. We will be utilizing the band truck/trailer for instruments and luggage. We would advise each person on the trip plan on an additional \$100 - \$150 for non-covered expenses.

Trip Payment Schedule: With just under one year to pay for the trip we have tried very hard to break the payments up in a way to make them as affordable as possible, but still be able to meet our obligation to the touring company, Super Holiday Tours. We plan to host at least four major fundraisers and a few smaller ones that will provide direct, individual benefit to those participating. Below is the schedule of payments that everyone attending the trip is expected to follow. Individual monthly statements will be provided by the Financial Secretary starting in April 2016 so that you can review your progress and trip balance. Payments can be made at the band room by cash, check, money order, or credit/debit card or online at: <https://chstrojanband.revtrak.net>. ***Fees apply to credit/debit card or online payments.**
